WORDS FROM OUR CLIENTS

EASTSIDE BAPTIST CHURCH • MARIETTA, GEORGIA

"I would like to take this opportunity to endorse Catalyst Faithworks™ for the great work you did for us at Eastside. I have to confess that when we began our fund-raising efforts, I really questioned whether or not we could pull together all the marketing pieces needed to facilitate the building of our youth and childrens' facility. Looking back, I know it never would have been successful without you.

The factors in our success came from the FOUR big benefits of this web interface approach to campaign communications:

- 1.) FREE Communications Consulting to Help Determine Communications Direction
 - 2.) Custom Logo Development using the aid of Online Logo Samples for Ideas
 - 3.) Templated Solutions for Design and Printing...with an Easy Process
 - 4.) Quick Pricing for Design & Printing Packages and Turn-key Printing & Delivery
- I would also be willing to speak with anyone considering a similar project."

"As the Communications Director for Our Lady of the Lake Catholic Church, I was impressed by how Catalyst Faithworks™ consistently went above and beyond to meet our needs. Even though there was a custom aspect to the design of our campaign materials, the stream-lined, innovative solutions offered by Catalyst Faithworks allowed us to blow through the design, despite tight time lines and time constraints imposed by my job.

By choosing to use Catalyst Faithwork's™ partner, Catalyst Print Communications for our print production, we not only met our deadlines but wowed our parishioners with the quality of the end materials. The processes for Design and Printing were easy and seamless! They provide real value for your money. If you want quality materials produced on time, at an affordable price, without a lot of hassle; then I recommend you use the awesome folks at Catalyst Faithworks."
