VIDEO...

- **6-Minute Campaign Video** (two 1/2-day shoots)
- **4 Teaser Videos**

This affordable 6-minute video utilizes both testimonial interviews shot on location and professional narration to cast the vision of the campaign to the congregation. In two 1/2-days of filming we will interview four people (on Saturday) and then shoot Sunday morning services. Additionally, we will use any historical photos you may have to help tell your story. Each Teaser is a very short video clip with an intro and a testimonial clip to be run at intervals throughout the campaign to build awareness and excitement.

Optional Extras include: Additional Interview - \$250, Custom Intro - \$400.

HIGH DEFINITION shooting available upon request...extra cost will apply.

3D Virtual Tours -and- 3D Virtual Stock Images ...are also available!!!

PRINTING...

- Printing for a HOUSEHOLD COUNT of 500 for ALL the above listed items **is included** in the price. Additional quantities can be estimated. Less quantities *may* save a little. Our household count of 500 includes 3X multiples (1,500 count) on these three items: Letterhead, Newsletter Shell and No. 10 Envelope. *Shipping is separate...and determined per church location / timeframe.*

Design packages can be ordered without printing services, but our design team charges a \$200 minimum printing consultation fee. This fee includes time to: interface with your team and printing representatives to facilitate this process; alter/re-format files to be usable by your printer; compress files; transfer files via FTP/e-mail. If you choose this route, your print vendor must give us their requirements for proper file set-up and preparation before designing starts. We will work with you and your printer from our provided production schedule that will be created using your delivery dates. Working with these dates, we will send your printer our print-ready files saved as high-resolution Adobe Acrobat files with embedded fonts, crops and bleeds.
