COMPLETED CAMPAIGN & TESTIMONIAL

FARRAGUT FIRST UNITED METHODIST CHURCH (Knoxville, TN)

"Even though I am a communications professional with almost 25 years experience, overseeing our church's second capital campaign was one of the most important and challenging responsibilities I had ever accepted. I knew immediately we needed a communication consultant with proven expertise in capital campaigns. By the grace of God we were introduced to Catalyst Faithworks, a company with a team of highly professional people who are extremely talented and just as dedicated and passionate about our church's mission as we are. With clear and consistent communication, Catalyst Faithworks helped us develop a logo and supporting materials that not only quickly conveyed our campaign's goal, but it made an indelible impression on the hearts and souls of our congregation. The result was a successful campaign that has helped our church to continue meeting our vision for the future.
