COMPLETED CAMPAIGN & TESTIMONIAL

MANCHACA UNITED METHODIST CHURCH (Manchaca, TX)

"Rob, I don't know if I told you this, but our pre-press people were extremely impressed with your design firm's art files. They said they were perfectly created—Bravo!" – G. Anne Chalmers

"Dear Catalyst Faithworks, I am passing on the above compliment to your whole team—as you have been the ones doing such a great job! Hope things are going well since the church campaign. Thanks for the work. It looks great. I appreciate the immediate support and your efforts and work on our behalf very much, and your careful consideration, guidance and timely responses. Our staff here at Crossroads Systems where I work "loved" the design work on their three-color brochure that you developed! At your earliest possible convenience, we would like to see if you could begin two new projects for our company! Thanks again!"
